Dear guest,  
the beautiful holiday camp KON TIKI offers you different categories of mobile homes from which you can choose according to your personal preferences.

If your choice is being directly on the beach, with a fantastic sea view, you can reserve Tiki Hutte in the first or second beach row, optional with 1 or 2 bedrooms.

These styles, as well as the GARDEN TIKI Hutts are identical and are only distinguished from the siting.

Both models are equipped with air condition and SAT TV.

You can have a model for 2 adults + 2 kids with 1 bedroom, or one for 4 adults + 2 kids with 2 bedrooms. The GARDEN TIKI Hutts are circular arranged and located in the 3<sup>rd</sup> to 7<sup>th</sup> beach row.

The TIKI FAMILY offers the most space with 3 bedrooms. These models are located in the upper part of the camping, starting from the 8<sup>th</sup> row.

OUR BEST! TIKI LOUNGE with furnishing on highest level: Jacuzzi, Italian shower, extraordinary view on the vineyard or in first row on the beach.

The GARDEN TIKI HUTTS PREMIUM 1 + 2 bedrooms. These styles offer a bit more space than the normal GARDEN TIKI HUTTS. Furthermore, they have an additional air condition in the living room.

Beyond that, we are also offering models from private owners. These are also located on the KON TIKI camping and sometimes a bit cheaper.

The prices of these private renters you find in the separate list "Prices Private renters" which we sent to you gladly as well.

All Mobile homes are located directly on the camping KON TIKI, directly nearby the EUROPEAN DIVING SCHOOL on the beach.
